

SESUG 2010 Conference Justification

SouthEast SAS® Users Group Conference

**Hyatt Regency Savannah
Savannah, GA**

Conference website:

<http://www.sesug.org/SESUG2010>

The SESUG conference is the southeast region's annual gathering of SAS users, customers and experts. Information about SESUG and proceedings of past conferences are available at <http://www.sesug.org>. New and interesting ideas and applications demonstrating the Power of SAS will be presented at the SESUG 2010 conference.

Get a great return on a valuable investment for your organization!

- Connect and learn from hundreds of SAS users and experts.
- Enhance your SAS skills by attending presentations and demonstrations.
- Talk to the presenters and authors and gain your own in-depth perspective.
- Learn new SAS skills in hands-on workshops and tutorials.
- Discover how SAS can benefit your organization through integration and scalability.
- Help other SAS users by presenting your own valuable skills and techniques.

Enhance and Learn Valuable New SAS Skills
