

SESUG Support for User Groups in the Southeast Region

SESUG maintains a contact list of leaders and other contacts from community based and in-house user groups in the Southeast Region for purposes of providing support to these groups. SESUG supports these groups by providing the following:

- One speaker per year for a user group meeting with speaker costs fully paid by SESUG and SAS®. Currently available offerings can be found at:
<http://www.sesug.org/main/MainDocuments/Presentations&Authors.pdf>.
- Additional speaker support for new user groups.
- Consultation and support for maintaining interest and relevance for your user group.
- Distribution of SAS related information of relevance to your user group.
- Participation in SESUG Local and In-House User Group Summits.
- Opportunities for participation in annual SESUG conference.
